TERMS AND CONDITIONS

GENERAL INFORMATION:

AGREEMENT:
These Terms and Conditions and the provisions hereof constitute the entire agreement between Elecor and the buyer and supersedes all statements, representations and agreements, oral or written made by the parties or their representatives including, without limitation, conflicting or different provisions of Buyer’s purchase order. No modification or addition to this agreement shall be binding upon Elecor, unless specifically set forth in writing, signed by Elecor.

TERMS:
2% 10th prox., NET 25th of month. Invoices dated 1st through the 25th are due the 10th of the following month to qualify for the 2% cash discount. Invoices dated 26th through 31st, inclusive, are payable the 10th of the next following month to qualify for the 2% cash discount. After the 25th of the following month, a monthly service charge of 11/2% will be applied, unless that rate exceeds the maximum lawful rate, then the maximum lawful rate will be used.

PRICES:
Pricing is subject to change without prior notice. Orders will be invoiced at the pricing in effect at the time of shipment unless otherwise stated. Price quotations will be valid for thirty (30) days from the date of quotation unless expressly written otherwise by Elecor.

MINIMUM BILLING:
A minimum billing charge of $100.00 net will be made on all orders. Next day express shipments are not subject to minimum billing requirements.

BROKEN CARTONS:
Orders for broken cartons will not be allowed. Orders will be increased to full carton quantities and invoiced accordingly.

DELIVERY:
Qualified shipments, within the continental U.S., will be made prepaid by surface freight, F.O.B. shipping point, to one destination. Freight on qualified shipments to destinations outside the Continental U.S. (including Alaska and Hawaii) will be prepaid and allowed to the U.S. port of export only. Elecor reserves the right to use its own discretion in routing shipments for which Elecor assumes transportation charges. If the purchaser specifies a more expensive routing, the purchaser must assume all transportation charges. Premium freight charges are the responsibility of the purchaser and are not subject to cash discount.

SHIPPING AND FREIGHT TERMS:
Orders valued less than $1,000.00 Distributor Net Cost will be subject to actual transportation charges as invoiced by the carrier.

WEIGHTS AND DIMENSIONS:
Catalog weight and dimensions are approximate and subject to change without notice.

ORDER ACCEPTANCE:
All sales are expressly limited to these terms and conditions and the right and intentions of the parties shall be governed exclusively by terms and conditions hereof. Where there is any conflict as to whether the Seller’s terms and conditions govern the contract, receipt and acceptance, whether under protest or otherwise, of the materials and supplies delivered hereunder shall be conclusive evidence of the acceptance by the purchaser of the contract on all the Seller’s terms. Elecor accepts orders and bills at current published prices and terms even though incorrect prices and terms may appear on the Purchaser’s order.

CLAMS:
Claims by purchaser for billing errors, shortages, damages, freight charges or allowances of any kind must be made within 30 days from receipt of material.
A. Shortages/Damages: Under FOB shipping point terms, title of the material passes to the distributor when Elecor delivers the material to the carrier. It is the distributor’s responsibility to resolve all shortage and damage claims directly with the carrier.

DISTRIBUTOR TERMS AND CONDITIONS

B. Payment Responsibility: Any claim against Elecor does not alter the distributor’s responsibility to pay invoices when due.

CANCELLATION:
Orders for Specials, or standard goods in quantities larger than normal inventory, may NOT be cancelled once the order is placed in production.

TAXES:
Published or quoted prices do not include sales taxes, excise, or similar taxes. Purchaser must pay all taxes.

SHIPPING DATE AND DELIVERY:
Every effort will be made to fill orders within the time stated. Under NO circumstances will seller be responsible for or the purchaser(s) entitled to consequential damages arising out of or owing to any delays in delivery whatever or for causes beyond seller’s reasonable control.

Shipping date and delivery specified are subject to any priorities or allocations necessitated by government orders or regulations, and time and manner of delivery are subject to any delay on the part of the purchaser(s) in supplying necessary data, or by any changes in data at the purchaser(s) insistence, and/or to delays caused by fire, floods, strikes, lockouts, riots, war, breakdowns, priorities or embargoes, accidents, civil or military authority, shortages of labor, delay in suppliers (or supplies) of material, difficulty in obtaining raw material, and any other cause beyond seller’s reasonable control. Delay in delivery for any of the aforementioned causes shall proportionately extend the time of delivery hereunder. Seller shall be compensated for any and all extra costs and expenses occasioned by delays attributable to the purchaser(s).

WARRANTY:
Elecor warrants its products for defects in material only, for a period of one year from the date of shipment from its plant or warehouse. Elecor shall not be held responsible for any damages incurred over and above the price of the products sold or any unauthorized repair. This warranty shall not apply to any product that shows evidence of neglect, misuse or improper installation, or that has been repaired or altered by any party other than this company. This warranty is and shall be in lieu of all other warranties, expressed or implied.

RETURNED GOODS:
Elecor agrees to accept from its distributor’s stock only the return of products for merchandise credit subject to the following terms and conditions:
1. All requests for return authorizations must be submitted through your Elecor Representative.
2. Material to be returned must be in original standard quantity cartons. Special orders, used, or damaged items will not be accepted. Unacceptable material will be destroyed and will not qualify for credit.
3. Returns will not be accepted unless accompanied by an Elecor “Return Material Authorization” (RMA).
4. Minimum value of returns must not be less than $100.00 Dist. Net Cost.
5. Credit will be issued for items not listed on the RMA.
6. Within 60 days of issuance, all returns must be shipped freight prepaid, unless otherwise instructed, to the Elecor warehouse specified on the RMA.
7. Credit will be given only for those products authorized on the RMA. Any non-authorized material will be scrapped or returned to distributor, freight collect, at the discretion of Elecor.
8. A merchandise credit will be issued at the prices reflected on the original invoice.
9. Deductions for returned material are not allowed. A credit memo will be issued after material has been received and inspected by our warehouse.
10. A 20% handling/restocking will be charged on returned material not related to an Elecor error.

Steel Set-Screw Connectors

Applications
For use in location to bond EMT conduit to a box or enclosure

- Elecor steel set screw connectors provide concrete-tight connections when taped
- Elecor steel set screw connectors are suitable for applications above 600V

Features
- All steel construction ensures mechanical protection for the raceway
- Tri-head screws (1/2” to 2” trade sizes) may be installed using a slotted, Phillips, or Robertson head screwdriver
- 2 1/2” to 4” trade sizes are also UL listed for use with Rigid/IMC conduit, allowing for design and installation flexibility
- Available with insulated throat

Material / Finish
Steel/Zinc electro plated

Compliances
UL Standard: 514B
CSA Standard: C22.2 No. 18
Nema: FB-1
Federal Spec: W-F-408E

Screws on 1/2”–2” connectors are designed for slotted, Phillips, or Robertson head screw drivers

All set screw connectors available with insulated throat

ES1104 – ES1106
Sizes 1 1/2” – 2” are manufactured as shown above

ES1101 – ES1103
Sizes 1/2” – 1” are manufactured as shown above

ES1107 – ES1110
Sizes 2 1/2” – 4” are manufactured as shown above
Steel Set-Screw Couplings

Applications
- Use to join two ends of EMT conduit
- Elecor steel set screw couplings provide concrete-tight connections when taped
- Elecor steel set screw couplings are suitable for applications above 600V

Features
- All steel construction ensures mechanical protection for the raceway
- Tri-head screws (1/2" to 2" trade sizes) may be installed using a slotted, Phillips, or Robertson head screwdriver
- 2 1/2" to 4" trade sizes are also UL listed for use with Rigid/IMC conduit, allowing for design and installation flexibility

Material / Finish
Steel/Zinc electro-plated

Compliances
- UL listed

Standards
- UL Standard: 514B
